OBJECTIVE

"Seeking an opportunity as Junior/Entry level applicant for a position that would allow me to explore more career options in the programming and system management field."

WORK EXPERIENCE

LABORATORY AIDE/SAMPLER
CHEMPRO Analytical Laboratories and Services Inc., (01/11/2011 – 06/02/2016)

Sampler is someone who stand as representative of a company that **collect sample specimen** to the client for test analysis. In addition, a Lab-Aide is someone who **maintain the cleanliness** of the Lab workplace and **assist the Laboratory Analyst**.

- I pick-up/collect and actual test sample specimen from our client.
- I deliver test result to our client on a specified time the result is release.

CALL CENTER AGENT (Chat and Email Support)
TELEPERFORMANCE Inc. – Rockwell Site, (06/02/2018 – 08/19/2018)

A **call center agent** is a person who handles incoming or outgoing customer calls for a business. A **call center agent** might handle account inquiries, customer complaints or support issues.

- On our end we are the back Support Chat/Email for the client complain
- In my part, I escalate prior ticket needed to be solve / need an urgent action

HOMEBASED IMAGE ENCODER/EXTRACTOR
Xfinite – Homebased Part-time Job, (12/30/2019 – 2020)

An **Image encoder** writes **image** data to a stream with the App tools provided to us. **Encoders** can compress, encrypt, and alter the **image** pixels in a number of ways prior to writing them to the stream.

- I download Task image map using the App tools and extract all the building within a prior location.
